

REVITALASE

PRODUCT BROCHURE

Revitalase is the latest and innovative formula from Mattioli Engineering for cutaneous revitalization.

Revitalase is a sterile and isotonic solution performing a biorevitalizing and hydrating actions promoting collagen synthesis and slowing down metalloproteases action.

The formulation is made of latest generation low-size molecules with highest purity degree.

REVITALASE

means Innovative ingredients:

- Low molecular weight high purity degree **Hyaluronic Acid** that performs both an antioxidant and hydrating action.
- **TGF beta** stimulates the parric cells to synthesize the native type I and II collagen and it inhibits the extra cellular matrix cells degradation (Metalloproteasys).

REVITALASE

Revitalase means Synergy.

Revitalase has been created to be used in biorevitalization & skin resurfacing treatments thru Dermoelectroporation®, but it can be used with other transdermal delivery devices or traditional technique.

Revitalase can be used alone or in synergy with other methods just like Microdermabrasion ,IPL and other technologies using light beams for skin rejuvenation.

Revitalase means fast results.

Revitalase application may be recommended also together with other treatments against dermatological pathologies and pre/post Plastic and Aesthetic surgery interventions.

Revitalase suggested protocol.

The suggested protocol includes:

- 1,5 cc/ml for a facial application, 3 cc/ml for face and décolleté, 3cc/ml inner arm side
- 1 weekly session for a total of 4 to 6 sittings.
- 3/4 Annual sessions.

Revitalase means **R**eliability of procedure

Revitalase guarantees sterility and non contamination during the session. High grade purity compound , safe and Effective,

Revitalase means **R**eproducibility of the treatment

Revitalase , when used with Dermoelectroporation devices guarantees reproducibility and treatment standardizations.

Revitalase means **R**esults

Revitalase guarantees astonishing results even form the very first session,

Revitalase means getting to the **R**ight expectations

Revitalase is the perfect match for skin needs
